**INFINITY PORTAL へのログイン**

**YOU DESERVE THE BEST SECURITY**

# Infinity Portal へのログイン

The image shows a browser window displaying the Check Point Infinity Portal sign-in page. The browser's address bar shows the URL `https://portal.checkpoint.com/signin`. The page features the Check Point logo at the top. Below the logo, there is a sign-in form titled "MY ACCOUNT". The form contains a text input field with the email address "demo@checkpoint.sc" entered. Below the input field, there is a link that says "Don't have an account? Register here". At the bottom of the form, there is a "NEXT" button. To the right of the form, there is a graphic with a red ribbon and the text "Unified security - delivered as a service". At the bottom right of the page, there are links for "Help" and "Terms".

# Infinity Portal へのログイン

The screenshot displays the Harmony Endpoint Infinity Portal interface. The top navigation bar includes the 'HARMONY ENDPOINT' logo, a user profile 'cpjdemo005', and a 'CHECK POINT INFINITY PORTAL' header. A notification banner at the top states: 'To enable communication, make sure you have Endpoint client installed on all your devices' with a 'Download Endpoint' button. The main dashboard is divided into several sections:

- Operational Overview:** Shows 'Security Overview' and 'Getting Started'.
- ACTIVE ENDPOINTS:** Displays 4 Active endpoints.
- DESKTOPS:** Shows 3 desktops: 3 Windows, 0 macOS, 0 Linux, and 0 ChromeOS.
- LAPTOPS:** Shows 1 laptop: 1 Windows, 0 macOS, 0 Linux, and 0 ChromeOS.
- ACTIVE ALERTS:** Lists two alerts: 'One computer was not scanned for malware' and '2 Endpoints did not communicate with the management server for more than 30 minutes'.
- DEPLOYMENT STATUS:** Shows 4 Success, 0 In Progress, 0 Failed, and 0 Not installed or Unknown.
- HEALTH STATUS:** Shows '4 computers' with 'No issues'.
- ANTI MALWARE UPDATE:** Shows update status: 4 On the last 24h, 0 On the last 72h, 0 Over 72h ago, 0 Never, and 0 Not installed or Unknown.
- HARMONY ENDPOINT VERSION:** Shows version 86.26.6008 for 4 (100.0%) computers.
- OPERATING SYS:** Shows 'Microsoft Windows 10 Enterprise Evaluat...' for 4 (100%) computers.

A blue callout box in the bottom right corner contains the text: '前回ログイン時に管理していたサービスの画面を表示' (Display the screen of the service managed during the previous login).

テナント名の確認と切替

YOU DESERVE THE BEST SECURITY

# テナントの選択と切替

- 管理者として登録されている複数のテナントを切り替えて管理できます

The screenshot displays the Harmony Endpoint management interface. At the top, a dropdown menu shows the current tenant 'cpjdemo006'. A callout box labeled '① テナント名確認 (cpjdemo006)' points to this dropdown. Below the header, a list of tenants is visible, with 'cpjdemo005' highlighted by a callout box labeled '② テナント名クリック'. A third callout box labeled '③ テナントを選択' points to the highlighted tenant. The main dashboard area shows deployment status (1 Success, 0 In Progress, 0 Failed, 0 Not installed or Unknown), active endpoints (1 computer), and various system metrics like anti-malware updates and endpoint versions.

# テナントの選択と切替

The screenshot displays the Harmony Connect user interface. At the top, the tenant name 'cpjdemo005' is highlighted in a red box. A blue callout box points to this tenant name with the text: **テナントが cpjdemo005 に変更された** (Tenant changed to cpjdemo005). The main content area features a 'Welcome to Harmony Connect' message and a 'Few ways to get started:' section with three progress cards: 'Remote Users' (3/5 Completed), 'Branch Offices' (1/4 Completed), and 'Corporate Applications' (1/4 Completed). The interface includes a sidebar with navigation options like 'GETTING STARTED', 'ASSETS', 'POLICY', 'LOGS & EVENTS', 'SETTINGS', and 'GLOBAL SETTINGS'. The top navigation bar shows 'HARMONY CONNECT', the tenant name, and user information.

# サービス名の確認と変更

YOU DESERVE THE BEST SECURITY

# サービス名の確認

- 契約している複数のサービスを一つの管理ポータルで管理できます

The screenshot shows the Harmony Connect management portal. The top navigation bar includes the 'HARMONY CONNECT' logo, which is highlighted with a red box. A blue callout box with the text 'サービス名確認' (Service Name Confirmation) points to this logo. The main content area displays 'Welcome to Harmony Connect' and 'Securely Connects Remote Users and Branches to Everything'. On the right, there are three cards for 'Remote Users', 'Branch Offices', and 'Corporate Applications', each with a progress bar and completion status.

Service	Configuration Options	Progress
Remote Users	Connect from Anywhere, Requires a Client	3/5 Completed
Branch Offices	Connect from branch office, Clientless	1/4 Completed
Corporate Applications	Connect from Anywhere, Clientless	1/4 Completed

# サービスの変更

The screenshot displays the Check Point Infinity Portal interface. At the top, a dark navigation bar contains a grid icon (highlighted with a pink box and a blue callout bubble labeled "① サービス一覧表示"), a globe icon, a bell icon, a "demo" user profile, and the "CHECK POINT INFINITY PORTAL" logo. Below the navigation bar, a breadcrumb trail shows "RECENT (3) > Connect > Endpoint > Browse". A checkbox for "Show previous product names" is visible on the right. The main content area is divided into four columns representing different services: INFINITY-VISION (Unified Solution), QUANTUM (Secure the Network), CLOUDGUARD (Secure the Cloud), and HARMONY (Secure Users & Access). Under the HARMONY service, a list of options is shown: Connect, Endpoint (highlighted with a pink box and a blue callout bubble labeled "② サービス選択"), Mobile, Email & Collaboration, and Browse. At the bottom, there is a "GLOBAL SETTINGS" button on the left and a "Corporate Applications" section on the right, which includes a progress indicator for "Connect from Anywhere" and "Clientless" (1/4 Completed).

# サービスの変更

The screenshot displays the Harmony Endpoint console interface. The top navigation bar includes the 'HARMONY ENDPOINT' logo, a user profile 'cpjdemo005', and a 'CHECK POINT INFINITY PORTAL' link. A notification banner at the top states: 'To enable communication, make sure you have Endpoint client installed on all your devices' with a 'Download Endpoint' button. The main dashboard is divided into several sections:

- Operational Overview:** Shows '4 Active' endpoints with a green checkmark icon.
- DESKTOPS:** Displays 3 desktops: 3 Windows, 0 macOS, 0 Linux, and 0 ChromeOS.
- LAPTOPS:** Displays 1 laptop: 1 Windows, 0 macOS, 0 Linux, and 0 ChromeOS.
- ACTIVE ALERTS:** Lists two alerts: 'One computer was not scanned for malware' and '2 Endpoints did not communicate with the management server for more than 30 minutes'.
- DEPLOYMENT STATUS:** Shows a progress bar for 4 Success, 0 In Progress, 0 Failed, and 0 Not installed or Unknown.
- HEALTH STATUS:** Shows '4 computers' with 'No issues' and a green checkmark icon.
- ANTI MALWARE UPDATE:** Shows update status: 4 On the last 24h, 0 On the last 72h, 0 Over 72h ago, 0 Never, and 0 Not installed or Unknown.
- HARMONY ENDPOINT VERSION:** Shows version 86.26.6008 for 4 (100.0%) computers, with a donut chart showing '4 In total'.
- OPERATING SYSTEM:** Shows 'Microsoft Windows 10 Enterprise Evaluat...' for 4 (100%) computers.

A blue callout box on the right side of the dashboard contains the text: '選択したサービスの管理画面を表示' (Display the management screen for the selected service).

言語の変更

アカウントの有効化完了

The screenshot shows the Check Point Infinity Portal interface. At the top left is the Check Point logo. The main content area is split into two columns. The left column contains the text: "アカウントの有効化に成功" (Account activation successful) and "ご利用ありがとうございます。アカウントが有効になりました。" (Thank you for using. The account is now active.). Below this text is a button labeled "サインインに戻る" (Return to sign in), which is highlighted with a red box. A blue callout bubble points to this button with the text "クリックしてサインインページに移動" (Click to move to the sign-in page). The right column features a large red infinity symbol, a row of five icons (cloud, network, laptop, smartphone, and a person), and the text "CHECK POINT INFINITY PORTAL" and "統合セキュリティ - サービスとして提供" (Unified Security - Service provided). At the bottom right of the page are links for "ヘルプ" (Help) and "Terms".
